Why the long face?
If it's only a trivial thing, then hey-
Let's form a circle and dance with everyone.
You played and studied but,
if it's because you don't understand,
let's form a circle and dance now
Because if you had sadness, soon
you'll have fun!
You have to believe!
Oh~oh~ so let's form a circle and dance
La la la la~ because soon you'll understand
Oh~oh~ so let's form a circle and dance
La la la la~ Dreams can come true!

If the girl I really like exists,
I mustn't be embarrassed, right?
Let's form a circle and dance with everyone
Even if you act like an adult, it's all right
But forgetting (to relax) is always bad!
Form a circle and dance anytime!
Even when there's a crowd,
you can always
find someone.
Oh~oh~ so let's form a circle and dance
La la la la~ because soon you'll understand
Oh~oh~ so let's form a circle and dance
La la la la~ dreams can come true!

Because if you had sadness, soon
you'll have fun!
You have to believe!
Oh~oh~ so let's form a circle and dance
La la la la~ because soon you'll understand
Oh~ oh~ so let's form a circle and dance
Oh~oh~ dreams can come true!

Oh~oh~ let's form a circle and dance
La la la la la la la la la la la la

Oh~oh~ let's form a circle and dance
La la la la la la la la la la la la

Oh~oh~ let's form a circle and dance
La la la la la la la la la la la la
