These days are coming to an end
The world awaits impatiently for us
These moments just collided into one line
Looking back I wouldn't change a thing

We won't fall
No
We won't fall for you and what you do
We will grow
Yeah
We will grow from you
Oh
From you

They say there's nothing more than what we're seeing
Life is a mirage and we are forced
They say that we must prepare to fail
I will keep fighting 'til I can't

We won't fall
No
We won't fall for you and what you do
We will grow
Yeah
We will grow from you
Oh
From you

We won't fall
No
We won't fall for you and what you do
We will grow
Yeah
We will grow from you
Oh
From you

We won't fall
No
We won't fall for you
Whoa

Whoa
We will grow
We will grow from you
Whoa

These days are coming to an end
