The human race started with Adam and Eve

They lived in a world where they were free

So listen and beware that this is Hell

'Cos they ate the fruit from the tree

CHORUS

Mighty force

Evil's mighty force

When Satan took a Serpent form

The couple's destiny was then traced

Leaving God's wrath frustrated

They couldn't resist the Serpent Temptation

CHORUS

Mighty force

Evil's mighty force

Mighty force

Evil's mighty force

We now live in a world of civilization

We're still affected by the Serpent Temptation

Technology won't help you to get salvation

The devil doomed God's creation

So let's destroy the devil's fucking nation
