Walkin' down the street with a porcupine face
He's the ectomorph of the human race
He's a killin' man, though he looks like James Dean
You think he's sweet, but boy is he mean.

There goes a leg, ha!
There goes an arm, whoa!
Well, I'm terribly sorry madame
I didn't mean you any harm
There goes a foot, whoops!
There goes an eye
See, I packed this one quite neatly in a box just three
feet high

Chorus:

Je vous aime, Je vous adore
Je vous aime, Je vous adore trop fort
Je vous aime, Je vous adore
Je vous aime, Je vous adore trop fort

Whoa, o, o, o, !...

He will treat you like you're his best friend
Then, chop off your finger and floss his teeth with the
end
He's a killin' man, like the ripper, Jack
Ya think he's sweet, but he's on the attack, attack,
attack!

There goes a leg, ha!
There goes an arm, whoa!
Well, I'm terribly sorry madame
I didn't mean you any harm
There goes a foot, whoops!
There goes an eye
See, I packed this one quite neatly in a box just three
feet high

Chorus:

Je vous aime, Je vous adore
Je vous aime, Je vous adore trop fort
Je vous aime, Je vous adore
Je vous aime, Je vous adore trop fort

Whoa, o, o, o, !...

Instrumental

Chorus:

Je vous aime, Je vous adore
Je vous aime, Je vous adore trop fort
Je vous aime, Je vous adore
Je vous aime, Je vous adore trop fort
