The queen of southern France is begging you to dance  
I said the queen of southern France is giving you the  
chance

Chorus:

Barbara, Barbara  
She wants you to  
Put on your ruby shoes and baby go on home  
Dress up in your best damn suit so the sky won't be  
alone

Barbara  
Flying through the sun and snow  
Barbara  
A pomegranate lightning show  
Barbara  
Protector! Helper! Dancer! Flow!  
Barbara  
C'mon baby,  
Go! Go! Go!

Chorus:

Barbara, Barbara she wants you to  
Put on your ruby shoes and baby go on home  
Dress up in your best damn suit, take your suit off the  
wall  
And if you think you're good enough at dancin' all over  
the stars  
She'll give you endless wishes at your wishing, at your  
wishing

Well, if you resist, the living world won't insist  
But, oh, all the fun you missed,  
And all the belles noiseuses you could've kissed  
Ow!

Chorus:

Barbara, Barbara she wants you to

Put on your ruby shoes and baby go on home  
Dress up in your best damn suit, take your suit off the  
wall  
And if you think you're good enough at dancin' all over  
the stars  
She'll give you endless wishes at your wishing, at your  
wishing...
