I don't know what took you so far away
What country kidnapped you from me today
I don't understand why you run astray
I just want to love you in my way

Sent me a photograph from Singapore
And when I saw your smile I wanted you more
But when you finally came to town
You were nowhere to be found

Chorus:

Just be here tonight
Stay with me tonight
Just be here tonight
Stay with me the night
Spend with me one night

Next I heard from you was Shangri-la
Somewhere between Katmandu and La-di-da
I don't know if you're comin' or goin'
I can't tell if you're real or just showin'

Chorus:

Just be here tonight
Stay with me tonight
Just be here tonight
Stay with me the night
Spend with me one night

Finally tracked you down on Rue Mouffetard
I know you think I went a little bit too far
But, what else am I supposed to do
At least in Paris they've got a clue
Of just how much I love you

Chorus:

Just be here tonight
Stay with me tonight

Just be here tonight
Stay with me the night
Spend with me one night
