If you're lookin' for a room, take my number
If you're lookin' for a room, give me a call
If you're lookin' for a room, take my number
So, there ain't no space for you to fall

If you're lookin' for a room, take my number
If you're lookin' for a room, give me a call
If you're lookin' for a room, take my number
So, when you're down and out, you don't hit the wall
So, when you're down and out, you don't hit that wall

'Cause life is just a series of broken lines
And sometimes you get a fistful of twig
When all you wanna do is keep on movin' up
They tell ya jump down in the hole and dig
And I know that sometimes your head feels so weary
You'd abandon the company of men

So, if you're lookin' for a room, take my number
If you're lookin' for a room, give me a call
If you're lookin' for a room, take my number
So there ain't no space for you to fall
So when you're down and out, you don't hit that wall
