I met you in a bar under the tangerine sun  
It was gettin' close to midnight, you were lookin' for fun  
Thalia  
Yeah, Thalia

You said you come to New York 'cause ya like to dance.  
Move in with your soul whenever given the chance  
Thalia  
Yeah, Thalia

Chorus:  
And I think we're goin' all the way, today  
Yeah, I think we're goin' all the way, today

I asked you for your name, you told me, Philistine  
You entertain your demons in a pink limousine  
Thalia  
Yeah, Thalia

You call them by their names Curly, Moe, and Ted  
Protectin' you from thoughts runnin' round in your head  
Thalia  
Yeah, Thalia

Chorus:  
And I think we're goin' all the way, today  
Yeah, I think we're goin' all the way, today

Instrumental

I woke up the next morning in the Bowery  
Strung out on the corner like a chimpanzee  
Thalia  
Yeah, Thalia

But then, you gave me ice cream and said, "Boy,  
here's your chance,  
Eat you Naked Lunch in the south of France"  
Thalia  
Yeah, Thalia

Chorus:

And I think we're goin' all the way, today

Yeah, I think we're goin' all the way, today
