Watch me as I make it flow  
Make the music good to go  
Break the ..... line get the floor  
Throw your hands up, scream for more  
It's a party, check the groove  
Charly C. is gonna make you move  
So come on, come on, come on, come on, feel it  
Move, move, come on and get with it  
Shake it to left, to right. Just do it anyway you like  
Watch out, I'm gonna drop the bomb  
Boom shakalaka, boom shakalaka, boom  
Dance yo, all night long. Everybody get with this song  
Come on, come on, go with the flow  
Party is here so here we go

Let the rhythm groove you  
Come on, come on, come on, come on, yeah  
Let the rhythm groove you. Everybody party  
Let the rhythm groove you  
Come on, come on, come on, come on, yeah  
Let the rhythm groove you tonight  
Let the rhythm groove you  
Come on, come on, come on, come on, yeah  
Let the rhythm groove you. Everybody party  
Let the rhythm groove you  
Come on, come on, come on, come on, yeah  
Let the rhythm groove you tonight

One, two, three, four, move  
Let the rhythm groove you all day and all night  
Pomp this jam, let's do it right  
Slamming on the dance floor  
Let me give you what you gave me for  
The groove is set, we're here to stay  
Stomp your feet and let me hear you say  
Yo, I'm back and I mean come in  
Charly C. and other man in da house  
So scream out loud. Kick the party, rock the ground  
So get on up, get with the groove  
Move, move, move, move, move  
Take it to the tipi-tipi-top

Now scream and no ever stop

Yo, I'm back like .....  
So get ready cause here we come  
Like a hurricane, house of fame  
Shake it and don't feel no shame  
Pomp, pomp, pomp the music  
Pomp it loud so we can feel it  
People, get with the flow  
Keep the rhythm back off slow
