[Backwards:] "Join us" [x times]  
(Welcome back)

Existing on damnation's edge  
The priest had never known  
To witness such a violent show  
Of power overthrown

Angels fighting aimlessly  
Still dying by the sword  
Our legions killing all in sight  
To get the one called Lord

The Gates of Hell lie waiting as you see  
There's no price to pay just follow me  
I can take your lost soul from the grave  
Jesus knows your soul can not be saved

Crucify the so called Lord  
He soon shall fall to me  
Your souls are damned your God has fell  
To slave for me eternally  
Hell awaits...

The Reaper guard's the darkened Gates  
That Satan calls his home  
Demons feed the furnace where  
The Dead are free to roam

Lonely children of the night  
There's seven ways to go  
Each leading to the burning hole  
The Lucifer controls

Priests of Hades seek the sacred star  
Satan sees the answer lies not far  
Zombies screaming souls cry out to you  
Satanic laws prevail your life is through

Pray to the moon... when it is round  
Death with you shall then abound  
What you seek... for can't be found  
In sea or sky or underground

Now I have you deep inside my everlasting grasp  
The seven bloody Gates of Hell  
Is where you'll live your last

Warriors from Hell's Domain  
Will bring you to your Death  
The flames of Hades burning strong  
Your soul shall never rest

The Gates of Hell lie waiting as you see  
There's no price to pay just follow me  
I can take your lost soul from the grave  
Jesus knows your soul can not be saved

Sacrifice the lives of all I know they  
Soon shall die  
Their souls are damned to rot in Hell  
And keep the fire growing deep inside  
Hell awaits...
