I saw you - and him  
and him - walking in the rain

you were holding hands and I'll never be the same.

Tossing and turning  
another sleepless night

the rain crashes against my window pane.  
Jumpde into my car  
didn't drive too far

that moment I knew I would never be the same.

I saw you - and him  
and him - walking in the rain

...

I saw you - and him  
and him - walking in the rain

...

Now here you are begging to me to give our love  
another try

girl  
I love you and I always will

but darling  
right now I've got to say good-bye.

I saw you - and him  
and him - walking in the rain

...

I saw you - and him  
and him - walking in the rain

...
