Won't you please let me go  
'Cause words lie inside  
They hurt me so  
And I'm not the kind that likes to tell you  
Just what I want to do  
I'm not the kind that needs to tell you  
Just what you want me to  
I saw you this morning  
I thought that you might like to know  
I received your message  
(And In full a few days ago  
I understood every word that it said  
And now that I actually heard it  
You're going to regret  
And I'm not the kind that likes to tell you  
Just what you want me to  
You're not the kind that needs to tell me  
About the birds and the bees  
Do you find this happens all the time  
A crucial point one day  
(it becomes a crime

And I'm not the kind that likes to tell you

Just what I want to do

I'm not the kind that needs to tell you

ow ow

I've lost you, I've lost you, I've lost you, I've lost you,  
I've lost you

I've lost you, I've lost you, I've lost you, I've lost you,  
I've lost you

I've lost you, I've lost you, I've lost you, I've lost you,  
I've lost you
