How does it feel to treat me like you do?

When you've your hands upon me

And told me who you are

I thought I was mistaken

I thought I heard your words

Tell me, how do I feel

Tell me now, How do I feel

Those who came before me

Lived through their vocations

From the past until completion

They'll turn away no more

And I still find it so hard

To say what I need to say

But I'm quite sure that you'll tell me

Just how I should feel today

I see a ship in the harbor

I can and shall obey

But if it wasn't for your misfortune

I'd be a heavenly person today

And I thought I was mistaken

And I thought I heard you speak

Tell me how do I feel

Tell me now, how should I feel

Now I stand here waiting...

I thought I told you to leave me

While I walked down to the beach

Tell me how does it feel

When your heart grows cold
