This is why events unnerve me
They find all a different story
Notice whom for wheels are turning
Turn again and turn towards this time
All she asks the strength to hold me
Then again the same old story
World will travel oh so quickly
Travel through as we lead towards this time
Oh, I'll break them down, No mercy shown
Heaven knows it's got to be this time
Watching her, these things she said
The times she cried, too frail to wake this time
Oh, I'll break them down, No mercy shown
Heaven knows it's got to be this time
Avenues all lined with trees
Picture me and then you start watching
Forever, watching love grow
Forever, letting me know
Forever
