You're much too young

To be a part of me

Too young

To get a hold on me

You're much too young

You're much too young

You're much too young

To mess around with me

Hey

You know I've met a lot of cool chicks

But I've never met a girl with all her own teeth

That's why I love you babe

That's why we could be

But you're too young

Too young

The past doesn't matter (12x)

Hey

Sophisticated lady

You know I've met a lot of cool chicks

But you've got style

You've got class

But most of all

You've got love technique
