| My love falls from heaven |
|---|
| To talk of this strange design |
| Then it goes forever |
| Where all things never die |
| People look whenever |
| These races have been won |
| Minds just for breathing |
| When the means for this have begun |
| lt's so far away, and it's closing in |
| It's so far away, and it seems to travel in |
| Taken from the killing ground |
| By all dividing hands |
| With no sense or reason, |
| They came, they found, they ran |
| Taking good advantage of |
| All the things they are told |
| I washed my hands of innocence |

When you started taking control

It's so far away, and it's closing in

It's so far away, and it seems to travel in
