You know it never meant much to me,
But there's something on your mind that I could see.
It didn't hurt me too much to find
You were seeing someone else for all of this time.

You know that I don't care,
And I like you to know that I don't care.
I don't need your sympathy;
Why don't you ever look at me?

[Chorus]
You did nothing for me.
You did nothing I see.
You did nothing for me.
You did nothing.

There's no today and there's no tomorrow.
Where you find sadness, I find sorrow.
Nobody knows, but it always shows,
I think I'm losing my mind, but that's the way that it goes.

And it's fine, all those lies.
I can see their truth lies in your eyes.
So I guess we are through;
You did to me what I did to you.

Repeat Chorus

[La, la, la, etc. omitted]

I don't need your sympathy,
'Cause you don't mean that much to me.

Repeat Chorus, etc.
