Oh, I've just come from the land of the sun  
From a war that must be won in the name of truth  
With our soldiers so brave, your freedom we will save  
With our rifles and grenades and some help from God  
I want to see my family, my wife and child waiting for me  
I've got to go home, I've been so alone, you see  
You just can't believe the joy I did receive  
When I finally got my leave and I was going home  
Oh, I flew through the sky, my convictions could not lie  
For my country I would die and I will see it soon  
I want to see my family, my wife and child waiting for me  
I've got to go home, I've been so alone, you see  
When I walked through the door, my wife she lay upon the floor  
And with tears her eyes were sore, I did not know why  
Then I looked into her hand and I saw the telegram  
That said that I was a brave, brave man but that I was dead  
I want to see my family, my wife and child waiting for me  
I've got to go home, I've been so alone, you see
