I just can't help thinking

What you've done to me

You built a wall of love and tore it right down

In front of me

And you think you know what's going on

You keep telling me that I am wrong

I don't care about what you do

'Cause if you mess with me I'll get rid of you

The picture you see is no portrait of me

It's too real to be shown to someone I don't know

And it's driving me wild

It makes me act like a child

You think I am crazy, but what can I do

You waste your time, like my money

It ain't so funny, but it's true

(Don't waste my money, baby)

Now you can't tell me what's going on

And that I am weak while you are strong

What is it you need, that makes your heart bleed

Do you really know? 'Cause it doesn't show

The picture you see is no portrait of me

It's too real to be shown to someone I don't know

And it's driving me wild

It makes me act like a child

The picture you see is no portrait of me

It's too real to be shown to someone I don't know

And it's driving me wild

It makes me act like a child
