Who saw those dark eyes

Who saw those dark eyes

Tears come by deep within

Burn my skin

All those years gone by

In the heat of the night

All those years gone by

Who felt those cold hands

Who felt those cold hands

Touch my skin deep within

Burn my soul

Fell to the ground

Where I was found

All those years ago

All those tears ago

All those years ago

Everybody makes mistakes

Everybody makes mistakes

Even me

Just be free

This is a place

Where in the end

It happens in

Our world within

Time to go

Time to go
