ENGLAND NEW ORDER - 'WORLD IN MOTION'

=====

Express yourself

Create the space

You know you can win

Don't give up the chase

Beat the man

Take him on

You never give up

Its one on one

Express yourself

Its one on one

Express yourself

Its one on one

Express yourself

You can't be wrong

When somethings good

Its never gone

Loves got the world in motion

And I know what we can do

Loves got the world in motion

And I can't believe its true

Now is the time

Let everyone see

You never give up

Thats how it should be

Don't get caught

Make your own play

Express yourself

Don't give it away

Express yourself

Its one on one

Express yourself

Its one on one

Express yourself

You can't be wrong

When somethings good

Its never wrong

Loves got the world in motion

And I know what we can do

Loves got the world in motion

And I can't believe its true

Loves got the world in motion

And I know what we can do

Loves got the world in motion

And I can't believe its true

You've got to hold and give  
But do it at the right time  
You can be slow or fast  
But you must get to the line  
They'll always hit you and hurt you  
Defend and attack  
Theres only one way to beat them  
Get round the back  
Catch me if you can  
Cos' I'm the England man  
And what you're looking at  
Is the master plan  
We ain't no hooligans  
This ain't a football song  
Three lions on my chest  
I know we can't go wrong  
We're playing for England {In-ger-land}  
We're playing the song  
We're singing for England {In-ger-land}  
Arrivederci its one one one  
We're playing for England {In-ger-land}  
We're playing the song  
We're singing for England {In-ger-land}  
Arrivederci its one one one  
We're playing for England {In-ger-land}  
We're playing the song

We're singing for England {In-ger-land}

Arrivederci its one one one

We're playing for England {In-ger-land}

We're playing the song

We're singing for England {In-ger-land}

Arrivederci its one one one
