We'll take a creek over a river
A little bit of corn bread with our dinner
We ain't saints and we ain't sinners
Can you feel me
We'll take a dirt road over a highway
We go to church twice on Sunday
Throw up a hand and if you don't wanna wave that's
okay

That's how we roll roll roll, how we live it
Don't know know know any different
Yeah we show show love every minute
Come get a little on ya
Yeah we love this life we been given
Couldn't buy me out for a million
Let's crank it on up, keep it kickin'
Yeah that's how we roll roll roll roll roll

Ice down a cooler, throw in some long necks
We'll pile in the back of a truck bed
Start up a fire and burn down a sunset
Holler if you hear me
Girls are all smokin' you know what I mean
Cowboy boots and cut off blue jeans
A little bit a dirty dancin' as they sing to Bocephus

That's how we roll roll roll, how we live it
Don't know know know any different
Yeah we show show love every minute
Come get a little on ya
Yeah we love this life we been given
Couldn't buy me out for a million
Let's crank it on up, keep it kickin'
Yeah that's how we roll roll roll roll roll

That's how we roll roll roll roll roll
Don't know know know any different
Yeah we show show love every minute
Yeah

That's how we roll roll roll, how we live it

Don't know know know any different
Yeah we show show love every minute
Come get a little on ya
Yeah we love this life we been given
Couldn't buy me out for a million
Let's crank it on up, keep it kickin'
Yeah

That's how we roll roll roll, how we live it
Don't know know know any different
Yeah we show show love every minute
Come get a little on ya
Yeah we love this life we been given
Couldn't buy me out for a million
Let's crank it on up, keep it kickin'
Yeah that's how we roll roll roll roll roll...
Yeah

That's how we roll
