Non-stop going hard just like a sweat shop

(A little bit of nana is good for me)

[Chico]

I got a girl with a kid but I am leavin' town

She's my life, not my wife, but she's not around

I'm on my way out of state and I am counting down

But my girl will never know how I am getting down

(A little bit of nana is good for me)

I got chicks in LA just to rub me down

I got ladies on the low hid in Chinatown

Even got worldwide chicks hittin' me on my cell

Since they love it how I do it, it ain't hard to tell

(A little bit of nana is good for me)

So tell me what you want

[2] - What you want, what you need

What you want, what you need

What you want, what you need

What you want, what you need

What you want, what you need

What you want, what you need

What you want, what you need

What you want

(A little bit of nana is good for me)

Nana, nana, nana

(A little bit of nana is good for me)

Nana, nana, nana

(A little bit of nana is good for me)

[Mo]

He's been gone five hours and I am settled in

To make it more real the night just began

So when the clock strikes 10 tonight

I'll be dipped and I'll be headin' out

(A little bit of dada is good for me)

No doubt my arms is where you need to be

So grab your things you're comin' home with me

On top of moaning while you're bonin' me

I'll curl your toes and then you off to sleep

(A little bit of dada is good for me)

[Repeat 2]

(A little bit of dada is good for me)

Dada, dada, dada

(A little bit of dada is good for me)

Dada, dada, dada

(A little bit of dada is good for me)

[Repeat 1]

[Repeat 2]

(A little bit of dada is good for me)

Nana, nana, nana

(A little bit of nana is good for me)

Dada, dada, dada

(A little bit of dada is good for me)

Nana, nana, nana

(A little bit of nana is good for me)

Dada, dada, dada

(A little bit of dada is good for me)
