

Vader "Silent Scream"

Visit "[Silent Scream](#)" on MotoLyrics.com

Originally performed by Slayer

Nightmare, the persecution
A child's dream of death
Torment, I'll forgotten
A soul that will never rest
Guidance, It means nothing
In a world of brutal time
Electric, circus, wild
Deep in the infants mind

Silent scream
Bury the unwanted child
Beaten and torn
Sacrifice the unborn

Shattered, adoncent
Bearer of no name
Restrained, insane games
Suffer the children condemned
Scattered, remnants of life
Murder a time to die
Pain, sufferaged toyed

Life's little fragment destroyed

Silent scream
Bury the unwanted child
Beaten and torn
Sanctify lives of scorn

Life preordained
Humanity maintained
Extraction terminated
Pains agonizing stain
Embryonic death
Embedded in your brain
Suffocation, strangulation
Death is fucking you insane
Nightmare, the persecution
A child's dream of death
Torment, I'll forgotten

A soul that will never rest
Innocence with drawn in fear
Fires burning can you hear
Cries in the night
