The boats on the water

Go sailing, sailing, they go sailing.

The boats on the water go sailing

Sailing to and fro.

Sailing here and there

Sailing everywhere,

Sailing to and fro they go.

(Repeat)

The trains on the tracks

Go rolling along, rolling along

Rolling along.

The trains on the tracks

Go rolling along, rolling to and fro.

Rolling here and there

Rolling everywhere,

Rolling to and fro they go.

(Repeat)

The planes in the sky go flying around

Flying around, flying around

The planes in the sky go flying around

Flying to and fro.

Flying here and there, flying everywhere

Flying to and fro they go.

(Repeat)

If you want to take a ride

On the ground or in the sky

Just take a plane, a bus or a train

Transportation is not all the same
