Tony Orlando

Writers: Barry Mann and Cynthia Weil

Top chart position # 15 in 1961

Every time I faced the world I just had to cry-y-y

I stood alone with no love of my own

But then you happened by

Oh, darlin', bless you

Bless every breath that you take (bless you)

Yeah-ah-ah, bless ev'ry move that you make so  
perfectly (ooh-ooh)

And bless your little heart for lovin' me (bless you)

Ooh (bless you), bless you (bless you), bless you (bless  
you), child

Till you smiled and took my hand I felt kinda small

But you stood by me for the whole world to see

And then I was ten feet tall

Oh, darlin', bless you

Bless every breath that you take (bless you)

Mm-mm-mm, bless ev'ry move that you make so  
perfectly (ooh-ooh)

And bless your little heart for lovin' me (bless you,  
bless you)

Oh, darlin', bless you

Bless every breath that you take (bless you)

Baby, bless ev'ry move that you make so perfectly  
(ooh-ooh)

And bless your little heart for lovin' me

Baby, bless you

Bless every breath that you take (bless you)

Yeah-ah-ah, bless ev'ry move that you make so  
perfectly

FADE

And bless your little heart for lovin' me
