Oh oh now I am drained,  
and I don't wanna run no more.  
I think I've done enough and I know  
said you'd wait on the other side, yeah  
but i can't keep with the pace  
that you set when we began, ahh,  
I don't wanna run no more, said I think i've done  
enough yeah,

I want to understand the pain you're puttin' me  
through, ahh,  
so I go out, and search for reasons why you are not  
round me anymore  
I wonder if my leavin was your aim  
to keep me near, but never close enough for coming  
home  
So don't buy me flowers, if you're gonna bring me  
roses, scar tissue's settlin right where the other thorn is  
don't come around here, if you're gonna leave me  
hopeless  
scar tissues settlin, right where the other thorn is,  
Oh oh now I am drained,  
and I don't wanna run no more.  
I think I've done enough and I know  
said you'd wait on the other side, yeah  
but i can't keep with the pace  
that you set when we began, ahh,  
I don't wanna run no more, said I think i've done  
enough yeah,  
I need to find a way deal with being a fool  
I'm getting by, on hopes so high I know that i will crash  
eventually,  
Its all the blur and tear I see through,  
they let me smile, but when they dry out I can see you  
clear,  
Don't buy me flowers if you're gonna bring me roses,  
Scar tissues settlin, right where the other thorn is,  
don't come around here, if youre gonn leave me  
hopeless, I'm done with tryin, It's time I go in  
thoughtless,  
Oh oh now I am drained,  
and I don't wanna run no more.

I think I've done enough and I know  
said you'd wait on the other side, yeah  
but i can't keep with the pace  
that you set when we began, ahh,  
I don't wanna run no more, said I think i've done  
enough yeah,  
With a little luck, I'll manage to forget, what it was you  
took, when we said goodbye,  
with a little luck, I'll manage to forget, what it was you  
took, when we said goodbye oh now  
Oh oh now I am drained,  
and I don't wanna run no more.  
I think I've done enough and I know  
said you'd wait on the other side, yeah  
but i can't keep with the pace  
that you set when we began, ahh,  
I don't wanna run no more, said I think i've done  
enough yeah,  
has she or hasnt she, got everythin' I ever wanted, Has  
she or hasn't she, got everythin that I want  
has she or hsn't she got everythin i ever wanted
