I can't get out of bed today

Or get you off my mind

I just can't seem to find a way to leave the love behind

I ain't trippin

I'm just missin you

You know what I'm sayin

You know what I mean

You kept me hanging on a string

Boy you make me cry

I tried to give you everything

But u just gave me lies

I ain't trippin

I'm just missin you

You know what I'm sayin

You know what I mean

Every now and then when I'm all alone

I be wishing you would call me on the telephone

Say you want me babe but u never do

I feel like such a fool

There's nothing I can do

I'm such a fool for you

I can't take it

What am I waiting for?

My heart still breaking

I miss you even more

And I can't fake it

The way I could be soâ€¦â€¦.

I hate you

But I love you

I can't stop thinking of you

It's true I'm stuck on you

My love's a broken record that's been skipping in my head

I keep singing yesterday

Why we got to play these games we play?

I ain't trippin

I'm just missin you

You know what I'm sayin

You know what I mean

Every now and then when I'm all alone

I be wishing you would call me on the telephone

Say u want me babe but u never do

I feel like such a fool

I can't take it

What am I waiting for?

My heart still breaking

I miss you even more

And I can't fake it

The way I could be soâ€¦â€¦â€¦.

I hate you

But I love you

I can't stop thinking of you

It's true I'm stuck on you

Every now and then when I'm all alone

I be wishing you would call me on the telephone

Say u want me babe but u never do

I feel like such a fool

There's nothing I can do

I'm such a fool for you

I can't take it

What am I waiting for?

My heart still breaking

I miss you even more

And I can't fake it

The way I could be soâ€¦â€¦â€¦.

I hate you

But I love you

I can't stop thinking of you

I hate you

But I love you

I can't stop thinking of you

Don't know what to do

I'm stuck on you
