If I speak in the tongues of angels

But have not Love

I'm only a resounding noise

If I have the gift of knowledge

And if my faith moves mountains high

But have not Love I am nothing

CHORUS:

Though I know the one who holds

The stars in the heaven

In the palm of his hand

And if I give all I possess

To the poor and the helpless

I'll still gain nothing without love

Love is patient

True love is always kind

Love does not envy

Never brags it's never proud

Slow to wrath it keeps no record

of wrongs against friends

Love forgives

we all could use forgiveness

repeat chorus

Love never fails

Love is true

Love is the one thing that can always change you

Love is patient

Love is kind

Love is the one reason the world survives

repeat chorus
