You know it's over but you don't wanna say
You see the writin' on the wall but you don't wanna read
And now you're hopin' that there'll be somethin'
different
Somethin' to change the circumstances of the way
you're livin'

But that's that fantasy, that's that reality
The one you love that keeps on changin' personalities
It's always jealousy, too much intensity
I don't remember signin' over my I, identity

'Cause I gave it to you freely, didn't know you was so
needy
Baby, you got my heart in chains
Somethin' beautiful and bright, it's losin' all it's light
On this site, somebody cue the rain

Cue the rain, cue the rain
Why you drivin' me so insane? Cue the rain
Didn't know you'd be so greedy
Baby, you got my heart in chains

Now you met me on the fly, I was flyin' so high
You said I can fly too, that's the start of me and you
Chemistry, what a blast, had us movin' so fast
Ooh baby, what a ride when your love is the map
Let's go

Love the way I move in, the crowd still a jewel
I rule it all with these 'cause I got that joie de vive
But like Tinker bell in the story of Pan
I got caught up and Captain Hook is my man
But I want free love

'Cause I gave it to you freely, didn't know you was so
needy
Baby, you got my heart in chains
Somethin' beautiful and bright, it's losin' all it's light
On this site, somebody cue the rain

Cue the rain, cue the rain
Why you drivin' me so insane? Cue the rain
Didn't know you'd be so greedy
Baby, you got my heart in chains

If you don't love me now, you will never love me again
I can still hear you say you will never, never break
Never break the chains

'Cause I gave it to you freely, didn't know you was so
needy
Baby, you got my heart in chains
Somethin' beautiful and bright, it's losin' all it's light
On this site, somebody cue the rain

Cue the rain, cue the rain
Why you drivin' me so insane? Cue the rain
Didn't know you'd be so greedy
Baby, you got my heart in chains

When it comes close your eyes, I'm takin' over your
body
Close your eyes, close your eyes
When it comes I know 'cause I, I release myself
[Incomprehensible] inside, close your eyes

'Cause I gave it to you freely, didn't know you was so
needy
Baby, you got my heart in chains
Somethin' beautiful and bright, it's losin' all it's light
On this site, somebody cue the rain

Cue the rain, cue the rain
Why you drivin' me so insane? Cue the rain
Didn't know you'd be so greedy
Baby, you got my heart in chains
