She looks at me and my knees start shaking
But her lips tell me she's taken
It's true, I'm screwed

Struggles forward every word she utters
But my mind's stuck in the gutter
It's true, I'm screwed

You wanna drag me down
To my knees
'Cause you're a cocktease
Cocktease, baby. Cocktease
And I don't mean maybe, that's my baby

She buys a shot 'cause she's always drinkin'
Could be jailed just for what I'm thinking I'll do
I'm screwed

Got my number in her dresser drawer
Wants to hear me scream "more, more, more"
'Till I'm blue. Fuck you

You wanna drag me down
To my knees
'Cause you're a cocktease
Cocktease, baby. Cocktease
And I don't mean maybe, that's my baby

You're like a sunrise in my heart
You smile at me and it just tears me apart
You sing a love song in the dark
And I hear it

You wanna drag me down
To my knees
'Cause you're a cocktease
Cocktease, baby. Cocktease
And I don't mean maybe, that's my baby
