Remember where you found me  
Working as a hat check  
Slumming with a gambler  
Lost

Remember how you saved me  
You bought me yellow roses  
I remember crying,  
"How much did they cost?"

Louie, my savior  
Louie, my hero  
Where are you now?  
Louie, my angel  
Louie, my husband  
Didn't I vow to love and obey?  
Tell me what to do  
I'll do as you say

I would die with you  
How easily I would  
Together we found in this sorrowful city  
A garden of good  
Together, together, together  
Nothing to be scared of, not if we're together

Remember what you told me  
We'd go on forever  
Hundred billion lifetimes  
This is only one

Louie, my savior  
Louie, my hero  
Look at us now  
Louie, I'm ready  
Louie, my husband  
Louie, guide my hand  
We are no more  
Both of us through  
Louie, guide my hand  
I will honor you

I will honor you  
I will honor you  
I will honor you  
I will honor you!
