I'm not a psychic...  
So how do I know what she was thinking  
When she... when he...  
They say only the dead tell the truth, you know

What would you like me to say?  
It's my work  
Talking with the dead  
Flat rate, 20 bucks

So there I was, I'm holding a seance  
For a lawyer, who was desperate  
Wants to speak with a loved one  
His sister Alice Sue-- what?  
Alice May  
I was trying to contact said deceased relative  
When this other spirit breaks in  
I almost whooped my pants!  
I heard about this happening to other mediums  
Psychic interruptions...  
But never to me!

So this spirit, he's got a story  
It's a doozy, and he tells me  
No one else knows his story  
Thought I should get involved...

It came from the other side...  
This man... the husband  
And so... restless

Dark (Dark)  
It's dark here  
Space (Space)  
No strife  
Nowhere

I remember (I remember)  
My life (My life)  
My death (My death)
