I received the letter that you wrote me  
On a dark, cold and cloudy day  
Reminding me on the side of the road  
You find the light, you'll find a friend,  
You'll find a way  
But today I'm felling all broke down  
I ain't got the faintest clue 'bout what to do  
Can't comprehend the situation at hand  
so I try my best, just to get back home to you

(Chorus)  
Gonna keep on walking now  
Yes I will  
Gonna keep on talkin' loud  
Yes I will  
Gonna keep on singin' bout it  
Yes I will  
Gonna keep on ringing out  
Yes I will

I believe that what you sing to the clouds  
will rain upon you when your sun, has gone away  
And I believe, that what you dream to the moon  
Will manifest, before you rest, another day  
So stay strong, and sleep long when you need to  
let the mornin' take you right on through the day  
And when you find you're at the end of the road  
just lift your head up  
Spread your wings and fly away

(chorus)

When you're lost and alone  
That's when the rainbow comes  
When you're lost and alone  
that's when the rainbow comes for you
