Down 4 the 3rd Time" by Vain

Baby waits but no one's coming

her heart bleeds but my head keeps humming

You know I know too there's a better way

But love ain't always fair

Baby cries she knows he's outside

She'd die to be by his side

You know I know too there's a better way

But love ain't always fair

I wanna take you down

What's it take to break you baby

Now who's wrong

Down for the third time

Am I drowning for you girl

in a sea of love

Baby cries but true love's running

He's gone so I keep on coming

You know I know too that it's sexual

And it won't last very long

Baby cries she knows I'm outside

She'd die to be by my side

You give all these things in a different way

And it's me who's going down

I wanna take you down

What's it take to break you baby

Now who's wrong

Down for the third time

Am I drowning for you girl

in a sea of love

I give you more I give you all I have

I beg and crawl it's you I've always wanted

Are you ready so take me down

Down for the third time

Am I drowning for you girl

in a sea of love

I just can't wait to get down..
