Somehow Icy went astray  
Bars are cold but she's a hard girl  
Don't you know don't you know that  
Don't you know don't you know that  
Icy went so far away  
A red light blue light  
She's a hard girl  
Don't you know don't you know that  
Don't you know don't you know that

Icy she's going to heaven  
Icy she's been through hell  
Icy will they find you  
Is it true what the people say

Icy's gone she ain't coming back  
She lives alone behind the wall of black  
Icy's gone she ain't coming back  
A tough girl who ran off the track  
Icy

Somehow Icy went astray  
Bars are cold but she's a hard girl  
Don't you know don't you know that  
Don't you know don't you know that  
Icy she's going to heaven  
Icy she's been through hell  
Icy now I believe you  
Is it true what the people say

(chorus)

Icy's gone she ain't coming back  
She lives alone behind the wall of black  
Icy's gone she ain't coming back  
A tough girl who ran off the track  
Icy's gone she ain't coming back  
She lives alone behind the wall of black  
Icy's gone she ain't coming back  
A tough girl who ran off the track

Don't you know don't you know that  
Don't you know don't you know that

Don't you know don't you know that  
Don't you know that I'll find you Icy

(chorus)
