I'd really like to get to know you

The girl's too young

She don't need any better

It's all coming back

I can feel it

The girl's too young

She don't know any better

It's all coming back

I can feel it

Chorus:

She is beautiful

She is beautiful

She is beautiful

She is beautiful

The girl is beautiful

You're giving me rules and hints from all sides

And when you hit my back, you rub my eyes

The girl's too young

She don't need any better

It's all coming back

I can feel it

The girl's too young

She don't know any better

It's all coming back

I can feel it

And though I never know you

I look at your face.

To tell you that I love you

Don't know what to say

Give everything I got to the beautiful girl

The only thing I live for in the whole wide world

Chorus:

She is beautiful

She is beautiful

She is beautiful

She is beautiful

The girl is beautiful

I ain't got nothing to lose (Nothing to lose)

Going to throw it away

And talk to you

She looks good

She looks good

And it's true

And it's true

The girl is beautiful

She is beautiful

I ain't got nothing to lose (Nothing to lose)

When I'm living one time

And I want you

She looks good

She looks good

And it's true

And it's true

The girl is beautiful

She is beautiful

She is beautiful

She is beautiful

Na na na na na na na na

She is beautiful

She is beautiful

Na na na na na na na na

The girl is beautiful

She is beautiful

She is beautiful

Na na na na na na na na

She is beautiful

She is beautiful

Na na na na na na na na

I ain't got nothing to lose (Nothing to lose)

Going to throw it away

And talk to you

She looks good

She looks good

And it's true

And it's true

The girl is beautiful

She is beautiful

I ain't got nothing to lose (Nothing to lose)

And I'll never forget

When I saw you

She looks good

She looks good

And it's true

And it's true

The girl is beautiful

She is beautiful
