The night is young the earth's asleep so tight The thunder past away Along with the doves tonight Along with the doves tonight

A girl so young drips so much tears in oceans high & blue and waves the world goodbye

As you watch yourself grow older Everytime Grow stronger of the fight

Mi Acquelcuela Orchestral flows in the breeze Mi Acquelcuela Now you can have it your way Mi Acquelcuela

Is Gaia truth ; is the world alive? or just a place somewhere in time under the stars tonight Under the stars tonight

But everywhere silence People sleep tonight In dreams they save their prayers and wave the world goodbye

As they watch themselves grow older Everytime Grow stronger of the fight

Mi Acquelcuela Orchestral flows in the breeze Mi Acquelcuela Now you can have it your way Mi Acquelcuela

Early 007 atmosphere Intermezzo

As they watch themselves grow older Everytime Grow stronger of the fight

Mi Acquelcuela Orchestral flows in the breeze Mi Acquelcuela Now you can have it your way Mi Acquelcuela

Acquelcuela now! Acquelcuela now! Acquelcuela now! Acquelcuela now!
