School, rain on monday, trigonometry;  
we ran away to blue skies, sun & sea  
Well, our trip's been quite a misery  
down by the rivers we belong

Wanna walk  
Wanna run  
Wanna fly  
Wanna hide  
Wanna feel it

Wanna boat  
Wanna car  
Wanna train  
Wanna plane  
Wanna feel it

See the world

Meet people  
Go places  
See faces  
Races

Ibiza, Pisa, Lima, Jima, Nimba...ow!

To Singapore, Japan or Jamaica, -oh no,  
We couldn't live under this spell  
To Honolulu, Spain, the equator, oh yeah.  
We didn't even came as far as Bruxelles..

Down at the border, Belgium boundary  
No passport; held up on our way to Lille  
We where brought to the gendarmerie  
'cause down by the rivers we belong

Wanna walk  
Wanna run  
Wanna fly  
Wanna hide  
Wanna feel it

Wanna boat  
Wanna car

Wanna train  
Wanna plane  
Wanna feel it

See the world

Meet people  
Go places  
See faces  
Races

Ibiza, Pisa, Lima, Jima, Nimba...ow!

To Singapore, Japan or Jamaica, -oh no,  
We couldn't live under this spell  
To Honolulu, Spain, the equator, oh yeah.  
We didn't even come as far as Bruxelles..

We could have flown if we wanted to,  
We could have sailed if we wanted to,  
We could have driven if we wanted to,

Wanna walk  
Wanna run  
Wanna fly  
Wanna hide  
Wanna feel it

Wanna boat  
Wanna car  
Wanna train  
Wanna plane  
Wanna feel it

See the world

To Singapore, Japan or Jamaica, -oh no,  
We couldn't live under this spell  
To Honolulu, Spain, the equator, oh yeah.

To Nigaragua, Venezuela, oh no,  
We couldn't live under this spell  
Kuala Lumpur or Indonesia, oh yeah  
We didn't even came as far as Bruxelles..

To Brocopondo, Cairo, Waikiki,- oh no,  
We couldn't live under this spell  
To Honolulu, Spain, the equator, oh yeah.  
We didn't even came as far as Bruxelles..
