Sure that every man's a mortal-  
Every man's a mortal  
Should be feeling safe and sound  
But I am nearly thirteen feet below the ground

Listening to my cardiac murmur  
Sirens in my head - then silence of the heart  
Where was in '69 and where will I be in 2055?

I got the Catalepsia, I got a Catalepsia,  
I got the Catalepsia, My round-about  
I got the Catalepsia, I got a Catalepsia,  
I got the Catalepsia, It's a round oath

I am drowning in the wild waves-  
They all are white graves  
I can't feel the sand no more  
Soon I will be rocking on the ocean floor

Deadly traffic accident-  
My seat and soul crushed at the impact of the car  
Evil growing about syncope  
And all do is hoping that my heart can cope

I got the Catalepsia, I got a Catalepsia,  
I got the Catalepsia, My round-about  
I got the Catalepsia, I got a Catalepsia,  
I got the Catalepsia, It's a round oath

For some folks it's Karma, mama  
But they never live to tell  
I think I know split-second-pain too well

I got the Catalepsia, I got a Catalepsia,  
I got the Catalepsia, My round-about  
I got the Catalepsia, I got a Catalepsia,  
I got the Catalepsia, It's a round oath

I got the Catalepsia, I got a Catalepsia,  
I got the Catalepsia, My round-about  
I got the Catalepsia, I got a Catalepsia,

I got the Catalepsia, It's a round oath
