Oh, just got out on this beautiful day
that's when I saw you
Oh, I'm naked ! -and you're miles away !

Girl, when pretending to be cool, well,
then DON'T look my way!
just walk on by now
Oh, your act is dead giveaway !!

I must be mistaken for a Rubber Pie

Rubber Pie? - rubber pie!
Rubber Pie? - rubber pie!

Michelle, I want you to say goodbye
Well, Holy Moly , Guacaroly
Get off with Michelle Mambo !
