Dance into the end of time
Dance until the day we day
Dance until the end of time
the Realm Of Nature
We live and let die

I wonder why all the seas run dry
The Rivers Of Change
The forests breath helpless

Please tell your child
as the years go by
Once the planet was blue
And we're in the Realm Of Nature

Dance into the end of time
Dance until the day we day
Dance until the end of time
the Realm Of Nature
We live and let die

Dance into the end of time
Dance until the day we day
Dance until the end of time
the Realm Of Nature
We live and let die

I wonder why all the seas run dry
The Rivers Of Change
The forests breath helpless
