That's right  
Yeah baby

You call me on the telephone  
You call me on the telephone  
You call me on the telephone  
Talkin' all pimp, "Can I come over?"  
You're like,

You got some new gear at home  
You got some new gear at home  
You got some new gear at home  
Well, then, plug it in right  
And switch it on now

And then we do the Humpty Hump  
And then we do the Donkey Kong  
And then we do the Ring-A-Ding-Dong  
With the VCR on  
Now that can't be wrong

And baby when it's on, it's on  
Baby when it's on, it's on  
Baby when it's on, it's on  
Lights, Camera, Action  
Come on

Yeah baby  
Daddy's home  
We got 2 Camcorders And A Microphone  
If you got a friend, she can come along  
We got 2 Camcorders And A Microphone

Yeah baby  
Daddy's home  
We got 2 Camcorders And A Microphone  
If you got a friend, she can come along  
We got 2 Camcorders And A Microphone

Sugar, I aint done with you  
Sugar, I aint done with you  
Sugar, I aint done with you

I need a microphone check  
One-two, one-two

So baby, what you wanna do?  
Baby, what you wanna do?  
So baby, what you wanna do?  
Let's get it on tape, when we boogaloo

You know we got color TV  
You know we got color TV  
You know we got color TV  
Roll camera  
Let's shoot the scene

And now we're turning up the heat  
Now we're turning up the heat  
Now we're turning up the heat  
Then we Bang, Bang  
The Boogie-Da-Beat

Yeah baby  
Daddy's home  
We got 2 Camcorders And A Microphone  
If you got a friend, she can come along  
We got 2 Camcorders And A Microphone

Yeah baby  
Daddy's home  
We got 2 Camcorders And A Microphone  
If you got a friend, she can come along  
We got 2 Camcorders And A Microphone

Mmmm

Yeah baby  
Daddy's home  
We got 2 Camcorders And A Microphone  
If you got a friend, she can come along  
We got 2 Camcorders And A Microphone

Yeah baby  
Daddy's home  
We got 2 Camcorders And A Microphone  
If you got a friend, she can come along  
We got 2 Camcorders And A Microphone  
Yeah baby  
Daddy's home  
We got 2 Camcorders And A Microphone  
If you got a friend, she can come along  
We got 2 Camcorders And A Microphone

Yeah baby  
Daddy's home  
We got 2 Camcorders And A Microphone  
If you got a friend, she can come along  
We got 2 Camcorders And A Microphone

If you got a friend, she can come along  
If you got a friend, she can come along
