I can't remember feeling so alone
Day and night I sit here on my own
The promise of forever was our dream
But no one said forever was only me
So I keep holding on
It's you that keeps me strong, yeah

It's Been So Long since I touched you
There's no one else I can turn to
It's Been So Long since I held you close to me
I'm finding it hard to let go
'Cause the sound of your heart still echoes
It's Been So Long without you here, without you

I feel your fingers through my hair (I feel your fingers
through my hair)
I open my eyes, but baby you're not there
But I keep holding on (I keep holding on)
It's you that keeps me strong, yeah (it's you that keeps
me going strong)

It's Been So Long since I touched you
There's no one else I can turn to
It's Been So Long since I held you close to me, yeah
I'm finding it hard to let go
'Cause the sound of your heart still echoes
It's Been So Long without you here (Living without you)

Don't tell me it's over (Don't tell me it's over)
I don't want to know (I don't want to know)
How can I run away from it?
There's now way I can escape from this
Tell me I'm wrong
Are you really gone?
I can't believe I lost the best part of me
So is this the way it ends for us?
But I keep holding on (I keep holding on)
It's you that keeps me strong, yeah (it's you that keeps
me going strong)

It's Been So Long since I touched you
There's no one else I can turn to

It's Been So Long since I held you close to me, yeah
I'm finding it hard to let go
'Cause the sound of your heart still echoes
It's Been So Long without you here, without you
I'm finding it hard to let you go
The sound of your heart still echoes
I'm finding it hard 'cause I'm still here, without you
(I'm finding it hard to let go,
'Cause the sound of your heart still echoes
I'm finding it hard 'cause I'm still here, without you)

I'm finding it hard to let go
