Bubble Gum

Watch it getting bigger and bigger now

Watch it explode on your face

Baby you know I love the taste

Of your Bubble Gum, Bubble Gum

Bubble Gum

Watch it getting bigger and bigger now

Watch it explode on your face

Baby you know I love the taste (Delicious)

Of your Bubble Gum, Bubble Gum

Her eyes light up

When she see's what I got for her

My Bubble Gum (Pop Pop)

Her eyes light up when she see's what

I got for her

My Bubble Gum (Pop Pop)

She likes the way I blow my Bubble Gum

Can't wait to see how big it gets

She wants to taste some of my Bubble Gum

Can't wait to see it explode on her face

(Break)

Bubble Gum

Watch it getting bigger and bigger now

Watch it explode on your face

Baby you know I love the taste

Of your Bubble Gum, Bubble Gum

Bubble Gum

Watch it getting bigger and bigger now

Watch it explode on your face

Baby you know I love the taste (Delicious)

Of your Bubblegum, Bubblegum

Her eyes light up

When she sees what I got for her

My Bubble Gum (Pop Pop)

Her eyes light up when she see's what

I got for her
My Bubblegum (Pop Pop)

She likes the way I blow my Bubble Gum
Can't wait to see how big it gets
She wants to taste some of my Bubble Gum
Can't wait to see it explode on her face
