Oh, oh...

The only thing that's on my mind
Is having me a good time
So I'm goin' out tonight
To enjoy the nightlife
So I call up some of my girlfriends
'Cause I feel like goin' dancing

But my only problem is

My Fendi's too high
For me to do what I like
And these Gabbana's too low
For me to do what I want
And yes my Prada's are nice
But they're a little too tight
So I need to go to my closet
Before I head out tonight

And put my Dancing (Dancing) Shoes on (Shoes on)
Dancing (Dancing) Shoes on (Shoes on)
Put my Dancing (Dancing) Shoes on (Shoes on)
Dancing (Dancing) Shoes on (Shoes on)

Oh, oh...

Oh, I came to burn a hole in the floor
Heat it up, Heat it up, Yeah
And if I could I'll dance on top of the bar
'Til they can't get enough of me
'Cause my body's all hot and sweaty
In the party, You want me
To show you how I get my groove on

But my only problem is

My Fendi's too high
For me to do what I like
And these Gabbana's too low
For me to do what I want
And yes my Prada's are nice

But they're a little too tight
So I need to go to my closet
Before I head out tonight

And put my Dancing (Dancing) Shoes on (Shoes on)
Dancing (Dancing) Shoes on (Shoes on)
Put my Dancing (Dancing) Shoes on (Shoes on)
Dancing (Dancing) Shoes on (Shoes on)

And let the music take control
Of your body and soul
'Cause I want the DJ to play my favorite song
Play it all night long

My Fendi's too high
For me to do what I like
And these Gabbana's too low
For me to do what I want
And yes my Prada's are nice
But they're a little too tight
So I need to go to my closet
Before I head out tonight

And put my Dancing (Dancing) Shoes on (Shoes on)
Dancing (Dancing) Shoes on (Shoes on)
Put my Dancing (Dancing) Shoes on (Shoes on)
Dancing Shoes (Dancing) Shoes on (Shoes on)

Oh, oh
