Cameras ready  
Prepare to flash  
Cameras ready  
Prepare to flash

I could be your lover  
Your new best friend  
I could be your number one  
Until the end  
I could be your girlfriend  
Your boyfriend too  
I could be your anything  
That you want me to

Lights, Camera, Action,  
Your body next to mine  
Just a chemical reaction  
Lights, Camera, Action  
Your body next to mine  
Just a chemical reaction

I could be your rainbow  
Your sunshine too  
I could be your anything  
That you want me to  
I could be your  
Mother, brother, sister, lover  
Doesn't matter  
When the camera flashes, baby  
You know that there is no other

Lights, Camera, Action,  
Your body next to mine  
Just a chemical reaction  
Lights, Camera, Action  
Your body next to mine  
Just a chemical reaction  
(Break)  
Camera's ready  
Prepare to flash  
Lights, Camera, Action,  
Your body next to mine

Just a chemical reaction  
Lights, Camera, Action  
Your body next to mine  
Just a chemical reaction

Lights, Camera, Action,  
Your body next to mine  
Just a chemical reaction  
Lights, Camera, Action  
Your body next to mine  
Just a chemical reaction

Lights, Camera, Action,  
Your body next to mine  
Just a chemical reaction

Cameras ready  
Prepare to flash  
Cameras ready  
Prepare to flash  
Cameras ready  
Prepare to flash

Lights, Camera, Action,  
Your body next to mine  
Just a chemical reaction
