A little bit hotter? WHOO!
Baby oh, la la la
Oh, lalalalala
Your love makes me say,
Oh! Ah! La la la!
Your love makes me say!,
Ooh! Ah! La la la la la!
Baby, you are, a star up in the sky
I wanna feel your heavenly body up against mine!
And when you kiss me, baby, it always blows my mind!
Never been so happy, in looove, on a love high!
Your love makes me say,
Ooh! Ah! La la la!
Your love makes me say!,
Ooh! Ah! La la la la la!
Your love makes me say,
Ooh! Ah! La la la!
Your love makes me say!,
Ooh! Ah! La la la la la!
You give me fever, when I meet ya,
In the middle of the night
The way you love me, always,
Comes right on time!
You give me a shoulder, when I need ya,
And I don't feel so strong
Baby, I'll always, feel safe,
When I'm in your arms!
(Your love makes me saaay!)
