Sexy baby

All I need
Is right here with me
What I see (Dame verlo)
Is making me hungry
I'm in my Vicky Secret's silhouette
This is the night you won't forget
Isn't this what you've been waiting for?
So baby come get blessed

That Motion (Sexy baby)
It's got me crazy
That Motion (Sexy baby)
So hazy baby

That Motion (Sexy baby)
It's got me crazy
That Motion (Sexy baby)
So hazy baby

Take your time (Asi)
Let me be your guide (Asi me gusta)
What's it like (Aye mi amor)
To know you'll be inside?
Never had you closer to my lips (My lips baby)
It's gettin' harder to resist (asi, asi)
Ooh Your mouth is sinful cinnamon
Can't wait to take you in

That Motion (Sexy baby)
It's got me crazy
That Motion (Sexy baby)
So hazy baby

That Motion (Sexy baby)
It's got me crazy
That Motion (Sexy baby)
So hazy baby

So sexy baby
You're so sexy baby

(Break)

That Motion (Sexy baby)
It's got me crazy
That Motion (Sexy baby)
So hazy baby

That Motion (Sexy baby)
It's got me crazy
That Motion (Sexy baby)
So hazy baby

(Break)

So sexy baby
You're so sexy baby

(Fade out)
