When it feels like  
The world is on your shoulders  
And all of those exams  
Have got you goin crazy

It's time to get out  
Get on down to fifth street  
Where all of the action  
Is right there, just move your feet  
Well

I know a place where we can  
Dance the whole night away  
Underneath the electric stars  
Just come with me and we can  
Shake your blues right away  
You'll be doin fine once the music starts, Oh

To the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mind  
We can leave them all behind  
To the beat of the rhythm of the night  
Oohh the rhythm of the night  
Ooohh yeah

Look there on Joes dance floor now  
The party's just beginning  
The music's playing  
A celebration's starting

Under dance floor lights  
The scene is being set  
A night for inebriance  
A night you won't forget, so

Come join the fun  
This ain't no time to be studying at home  
Mmm there's too much going on, oh  
Retro Thursday night is a night like you've never known  
We're gonna have fun the whole night long  
Oh

To the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mind  
We can leave them all behind  
To the beat of the rhythm of the night  
Oohh the rhythm of the night  
Ooohh yeah

Come join the fun  
This ain't no time to be studying at home  
Mmm there's too much going on, oh  
Retro Thursday night is a night like you've never known  
We're gonna have fun the whole night long  
Oh

Oohh baby, aww darling, oohhh baby, woooooooooo

La la la la la la la  
La la la la la la la la la la

The music's playin  
It's a celebration  
The music's playin, everybody dance

To the beat of the rhythm of the night  
Dance until the morning light  
Forget about the worries on your mind  
We can leave them all behind  
To the beat of the rhythm of the night  
Oohh the rhythm of the night  
Ooohh yeah
